Countryside H Neighborhood Roadway Improvements

Dear Resident:

Private Utility Reconstruction Schedule:

- CenterPoint Energy has finished its work in the neighborhood. Restoration in areas that are affected by the street reconstruction will be completed later this summer as part of the project.
- Xcel Energy is in the process of installing new wiring to street lights. Street lights on Phase I are planned to be replaced in the same locations.

Project Schedule:

Phase I (includes Olinger Circle, Sun Road and Amy Drive)

- New sidewalk and retaining walls have been constructed along Sun Road.
- The first layer of asphalt was placed this week. Asphalt driveway patches will be paved in the upcoming weeks. Here is a picture of the new pavement.

- Boulevards, irrigation systems and pet fences will be repaired during the restoration phase of the project which will take place once work is substantially completed in a few weeks.

Phase 2 (includes Arbour Avenue, Stuart Avenue, Benton Avenue, and Grove Street east of Arbour Avenue)

- Crews began replacing portions of the sanitary sewer this week.
- Grove Street between Tracy Avenue and Stuart Avenue will be closed Monday through Thursday during working hours next week while crews replace storm sewer pipes.
- Crews began working on gate valves and hydrants this week and will continue into next week. Please be on the lookout for temporary water shut-off notices handed out by the contractor. Crews may also begin grading the new sidewalk from Arbour Avenue to Countryside Elementary School, near the existing concrete steps.
